1. Module M21

The Hardware of the Module variants is identical. The Firmware of the Module variants differs within the Baud Rate for communication between the module and the medical device only.

	RFID Reader Device Name	Part number	Firmware	Description
1	Module M21	MP02001	MP02002	Baud Rate: 115k
2	Module M21.2	MP02101	MP02102	Baud Rate: 19,2k
